

34DD.

If for any reason there shall be a deficiency in the funds derived from the annual assessments for any maintenance or improvement ordered pursuant to this ordinance, including all incidental expenses thereof, the Commissioners may meet such deficiency by an appropriation out of the general fund or may advance such sums, to be repaid out of the proceeds of the annual assessment for the next or ensuing years, as deemed appropriate by the Commissioners.

34EE.

Any unexpended balance remaining in the special fund for the maintenance or improvement after the repayment of the costs and expenses of the maintenance or improvement for which the assessment was levied shall be credited to the fund to be raised for the next ensuing period of maintenance for such district. Whenever the Commissioners do not order or reorder maintenance as authorized in this subheading any such unexpended balance may be retained in such fund to be used, until exhausted by their said designated employee, to defray the costs and expenses of maintaining and caring for the open spaces benefiting the district for which the annual assessment has been levied.

34FF.

If, after the formation of a district, the addition of properties to be maintained and improved as open areas by such existing district is proposed, the Commissioners shall adopt a resolution declaring their intention that the cost of maintaining such additional open areas shall be borne by the existing district. It shall fix a time and place for a hearing on such resolution, at which hearing any and all persons having any objections to the things proposed to be done may appear and be heard. The resolution shall contain the statement of the estimated annual cost of maintaining such additional open areas.

34GG.

Notice of hearing on the resolution shall be mailed at least ten (10) days prior to the hearing to each person to whom land within the existing district is assessed as shown on the last assessment roll at his address as shown on such roll. At the hearing, the Commissioners shall hear and pass upon any and all protests to the maintaining and improving of such additional open areas by the existing district and the Commissioners decision shall be final and conclusive. At the conclusion of the hearing, the Commissioners may by resolution, order that the expenses of maintaining and operating such additional open areas shall be a charge upon the existing district.

34HH.

Any portion of any district which will not be benefited by remaining within the district may be withdrawn therefrom. The Commissioners may by resolution fix a time for a hearing on the question of the withdrawal of any portion of a district which will not be benefited by remaining within the district. The time for the hearing shall be not less than ten (10) or more than thirty (30) days after the date of the adoption of the resolution. The Commissioners shall,
