

of emulsifier, not less than [four] *two* per centum nor more than seven per centum by weight of milk fat, and not less than eleven per centum by weight of total milk solids. In no case shall any artificially sweetened ice milk weigh less than four and one-half pounds per gallon and contain less than one and three-tenths (1.3) pounds of total food solids per gallon.

(iii) Subject to the standards provided by law or prescribed by rules or regulations by the State Department of Health pursuant thereto, any person may manufacture or prepare artificially sweetened ice milk, containing an artificial sweetening agent approved by the State Department of Health. The manufacturer shall place the artificially sweetened ice milk only in pint packages or containers which shall be conspicuously labeled, "Artificially Sweetened" immediately preceding the words "Ice Milk," in similar type at least one half the size of the type used for the words "Ice Milk" and on the same contrasting background, and in addition shall label thereon "Intended for Diabetics Under Medical Advice" and any other warning statement which the State Department of Health may prescribe. The label shall also contain a statement in terms of percentage by weight of protein, fat and carbohydrates, the total number of calories per ounce, the number of calories contributed by carbohydrates and any carbohydrates other than lactose, and the name of each ingredient entering into the composition other than flavors. The artificially sweetened ice milk shall not be sold in any quantity or in any manner other than a sealed or unbroken pint package or container.
