

1.

(a) The Governor, by and with the advice and consent of the Senate, if in session, shall appoint biennially in each county of the State and in the City of Baltimore, three persons who shall constitute the board of supervisors of elections of said county or city, as the case may be. Said supervisors shall be residents and voters in their respective counties or in the City of Baltimore, and two of them shall always be selected from the two leading political parties of the State, one from each of said parties. *If there is no resident Senator from Caroline County in the Senate of Maryland at the time of the appointment, the supervisors for that county shall be appointed by and with the advice and consent of the House of Delegates of Maryland.*

(c) In case of any vacancy on any board of supervisors, whether as to a regular or a substitute member thereof, by reason of death, resignation or otherwise, occurring when the Senate *or the House of Delegates, as the case may be*, is not in session, the Governor shall appoint some eligible person to fill such vacancy until the end of the next session of the General Assembly or until some other person is appointed to the same office, whichever shall first occur; provided, however, that if the latter was appointed as the representative of a political party, then only a person belonging to the same political party shall be eligible as his successor.

(e) In the event that the person appointed by the Governor is rejected by the Senate *or the House of Delegates, as the case may be*, the Governor shall appoint another person from the list of candidates originally submitted by the State central committee. If said original list is exhausted by subsequent appointments of the Governor and Senate *or House* rejection of all such appointees, the Governor shall call upon the State central committee for the county or city, as the case may be, for a supplemental list of at least four names as provided in subsection (d) hereof, from which list the Governor shall make successive appointments until the original and supplemental list are entirely exhausted.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1966.

Approved April 29, 1966.
