

City of Baltimore or in] such [other] places as the Department [might] may designate. It shall include a test of the applicant's eyesight, ability to read and understand highway signs regulating, warning, and directing traffic, knowledge of the traffic laws of this State, and shall include an actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle, and such further physical and mental examination as the Department finds necessary to determine the applicant's fitness to operate a motor vehicle safely upon the highways.

195.

(a) No motorcycle shall be operated on any highway in this State while carrying more than one person, unless it is designed by the manufacturer to carry more than one person. When so designed a passenger may ride upon (1) the permanent or regular seat designed for two persons, (2) upon another seat firmly attached to the motorcycle at the rear of the operator, and equipped with ~~foot and hand grips~~ FOOT RESTS for the passenger; or (3) in a sidecar attached to the motorcycle.

(b) No person shall operate any motorcycle equipped with a seat so positioned that the operator, when sitting astride the seat cannot reach the ground with either foot.

(c) No person shall operate any motorcycle equipped with handle bars which are more than fifteen (15) inches in height above the uppermost position of the seat when depressed by the weight of the operator.

(d) No person, operating a motorcycle shall carry any person, animal, package, bundle, or article which prevents the operator from keeping both hands upon the handle bars of the vehicle.

(e) No person shall operate a motorcycle with either the front or rear fender removed, or with a fender cut or altered after it has been sold by the manufacturer.

(f) The operator of a motorcycle, when passing another vehicle, shall not pass in the same lane in which the motor vehicle is being overtaken.

(g) The operator of a motorcycle on a highway shall not ride abreast of another motor vehicle in the same lane of traffic.

(h) (G) No person shall ride on a motorcycle unless he is properly wearing a safety helmet approved by the Department.

(i) (H) No person shall ride on a motorcycle unless he is properly wearing safety goggles or a face shield approved by the Department.

(j) (I) It shall be unlawful to sell, offer for sale, or distribute any protective safety helmet, goggles, or face shields for use by the operators or passengers of a motorcycle unless they are of a type approved by the Department.

(k) Every motorcycle shall be equipped with a shield located between the passenger's legs and the exhaust of the vehicle in order to adequately protect the passenger from injury caused by the exhaust.

(l) In addition to the above prohibitions on equipment or regulations on the operation of a motorcycle, the Department is author-
