

section. Any of such funds remaining unused at the end of any fiscal year shall be reverted into the general funds of the State treasury.

284H-1.

(a) *Each county and Baltimore City shall have three scholarships of both General State Scholarships and Education Scholarships as a minimum, making a total of seventy-two (72) of both types of scholarships. The remaining ninety-nine (99) of these two types of scholarships shall be apportioned among the several counties and legislative districts of Baltimore City according to the mathematical formula of equal proportions as described in subsection (b) of this section.*

(b) *The formula applied to apportion the remaining ninety-nine (99) of both General State Scholarships and Education Scholarships shall be by these computations: The population of each county and Baltimore City is separately divided by the geometric mean between the numerals 1 and 2 (1.414), next by the geometric mean between the numerals 2 and 3 (2.449), next by the geometric mean between the numerals 3 and 4 (3.464) and continuing in the progression so long as necessary to complete the computation. The resulting quotients shall be arranged in order of size from the largest to the smallest, and the first ninety-nine (99) listings give additional scholarships of both classes to the particular county or Baltimore City, and the scholarships thus allotted to Baltimore City shall be apportioned among the several legislative districts of the City in the same manner.*

(c) *The allowable quota of both types of scholarships for each county and the legislative district of Baltimore City shall be computed by the Scholarship Board every four years and the population figure used in those computations shall be that of the most recent Maryland Department of Health's official population estimate.*

EACH COUNTY AND EACH DISTRICT OF BALTIMORE CITY SHALL HAVE ONE SCHOLARSHIP OF BOTH GENERAL STATE SCHOLARSHIPS AND EDUCATION SCHOLARSHIPS, MAKING A TOTAL OF TWENTY-NINE (29) EDUCATION SCHOLARSHIPS AND TWENTY-NINE (29) GENERAL STATE SCHOLARSHIPS.

IN ADDITION, THERE SHALL BE ONE HUNDRED AND FORTY-TWO (142) SCHOLARSHIPS OF BOTH TYPES APPORTIONED ACCORDING TO THE APPORTIONMENT OF THE HOUSE OF DELEGATES, SO THAT THERE IS ONE SCHOLARSHIP OF BOTH TYPES FOR EACH MEMBER OF THE HOUSE OF DELEGATES.

SEC. 2. *And be it further enacted, That this Act shall take effect July 1, 1967.*

Approved May 4, 1967.
