

*gomery County Council in Montgomery County and by the affirmative vote of four members of the Prince George's County Board of Commissioners in Prince George's County, provided, however, that in the event such proposal is recommended for approval by the Park and Planning Commission, then an affirmative vote of four members of the County Council in Montgomery County and three members of the Board of County Commissioners in Prince George's County shall be required to approve such proposals. In the annual review of the county plans, approval shall be assumed fifty-five days after the receipt of the proposed county plan from the Sanitary Commission if the governing bodies do not respond. The governing body of each of the two mentioned counties shall thereafter submit the respective plans, if approved by it, or so much of each such plan as it may approve, to the State Department of Health, AFTER THE RESPECTIVE PUBLIC HEARINGS, EACH GOVERNING BODY SHALL REVIEW AND AMEND AS IT MAY SEE FIT THE PROPOSED PLAN OR ANNUAL REVISION THEREOF AND THEREAFTER AND SHALL APPROVE THE PLAN OR ANNUAL REVISION AND SUBMIT IT TO THE STATE DEPARTMENT OF HEALTH, all within the time requirements as elsewhere set forth in this section.*

4.

(vi) Be submitted to official planning agencies having jurisdiction, including comprehensive planning agencies with area-wide jurisdiction, if such exist; for review as to consistency with programs of planning for the area; *in Montgomery and Prince George's Counties, be transmitted to The Maryland-National Capital Park and Planning Commission. The Sanitary Commission shall not thereafter submit the county plans to the governing bodies until it shall have received from said Park and Planning Commission its comment and recommendations on the proposed programs or until ~~ninety~~ THIRTY days shall have passed, whichever shall be sooner. If the Park and Planning Commission shall recommend any changes, deletions, or designations for limited access in the proposed county plans, it shall state its reasons therefor, in writing, and the Sanitary Commission shall re-examine its proposed programs and give due weight to the recommendations of said Park and Planning Commission before final submission of the county plans, it being the intent of the General Assembly that the two Commissions shall make every reasonable effort to reach agreement with respect to the county plans required by this section, but that the Sanitary Commission's right to make the final decision in the event of disagreement shall not be impaired, except as herein provided. In the annual review in Montgomery and Prince George's Counties as set forth in subsection (d) (5) of this section, the procedures shall be followed as set forth herein with the exception that the Sanitary Commission may submit its annual review to the governing bodies twenty-five days, not ninety days, after transmittal to the Park and Planning Commission or after the receipt of the recommendations and comments from the Park and Planning Commission whichever shall be sooner; and*

SEC. 2. *And be it further enacted, That this Act shall take effect June 1, 1967.*

Approved May 4, 1967.
