of the department of assessments of Baltimore City. The several classes of counties are as specified in subsection (a) of this section, and the numbered pay scales are as established from time to time:

Class		Maryland State Employees Standard Salary Scale	
A		[29]	33
B		[26]	28
C		[23]	25
D		[21]	22
[E		20]	
[F		19]	
[G		18]	
[H		17]	

(f) The supervisor of assessments of Baltimore City shall have an annual salary classification in accordance with the Maryland State employees standard salary scale [15] 19 as it may be established from time to time.

237.

(d) Salary ranges for the several positions described above in this section shall be as follows:

		Maryland State Employees Standard Salary Scale	
Assessors' Aides		[9]	13
(3rd, 4th and maximum increments)			
Assessors		[13]	16
Senior Assessor		[15]	19
Field Supervisor, Class A jurisdiction			23
Field Supervisor, Class B jurisdiction			21
Assistant Supervisor, Class A jurisdictions		[21]	25
Assistant Supervisor Class B jurisdictions		[20]	22
Assistant Supervisor, Class C [, D and E]		[19]	21

The several numbered pay scales referred to in this subsection are as established from time to time under the standard salary scale. Assessors' aides begin with the third salary rate within the applicable salary range, and not at the beginning salary rate, and move thence upward to the maximum rate therein.

(m) In any political subdivision in which the designation of certified assessment evaluator has been obtained, and the State Department of Assessments and Taxation shall have approved such designation, the salary scale for such position shall be $500 per annum greater than the appropriate sum designated in the schedule hereinabove in this section. [In any political subdivision in which there are field supervisors, the salary scale for such position shall be $750 per annum greater than the appropriate sum designated in the schedule hereinabove in this section.]

236.

(C-1) ON AND AFTER JULY 1, 1967, THE CLASSIFICATIONS AND PAY SCALES OF THE SEVERAL SUPERVISORS OF ASSESSMENTS SHALL BE IN THE SAME RELATIVE POSITION IN THE STANDARD SALARY SCALES THEN IN
