

The amounts of State aid provided under this section shall be in addition to any amounts provided for elsewhere in this article.

(7) **Minimum Amount to Be Spent for Other Current Expenses.** Neither a county board of education or the Board of Education of Baltimore City may spend for other current expenses less than ~~[\$61]~~ \$71 for each pupil enrolled as of September 30 of the current year, plus \$30 for each additional pupil enrolled in excess of the number enrolled on September 30 of the preceding year.

(8) **Aid Received under Article 66½ Not to Be Duplicated.** Aid calculated under the provisions of this subsection shall not duplicate any aid received under the provisions of Section 90 of Article 66½.

[(c) In the event that for any county or Baltimore City, the sum of (1) the total cost of the current expense program to be shared by the State under Section 220(b) of this article for the school year 1964-65 and (2) the local appropriation for the school year 1963-64 for salary supplementation beyond the salaries prescribed in Sections 106, 148, 159 of this article and for other current expenses in excess of \$61.00 per pupil enrolled and an additional \$30.00 for each additional pupil in excess of the number enrolled on September 30, 1962 is more than the sum of (3) total State aid for current expenses for the school year 1964-65 as provided under Section 220(b) of this article and (4) the total local appropriation for current expenses for the school year 1963-64 as certified to the State Department of Education, the amount of State aid for current expenses for the school year 1964-65 shall be increased by this difference. As to any subdivision for which such State payment is required for each year thereafter as long as required, an adjustment shall be calculated on the same basis except that the amount of (2) above shall remain constant and for the amount in (4) shall be substituted an amount equal to the calculated local tax rate for current expenses for the school year 1963-64 applied to the local taxable basis taxed at full rate for county purposes for the school year for which the adjustment is being made. The calculated local tax rate is determined by dividing the total appropriation for current expenses for the school year 1963-64 by the total taxable basis taxed at full rate for county purposes for that year.]

(c) In the event that for any county or Baltimore City for the school year 1967-68, the sum of:

(1) the total cost of the current expense program to be shared by the State under Section 220(b) of this Article, and

(2) the local appropriation for the school year 1966-67 for other current expenses in excess of \$71.00 per pupil enrolled and an additional \$30.00 for each additional pupil in excess of the number enrolled on September 30, 1965 is more than the sum of:

(3) the total State aid for current expenses as provided under Section 220(b) of this Article, and

(4) the product of the local rate of levy for 1966-67 and the sum of the adjusted assessed valuation of real property and the net taxable income as defined under Section 220(a) of this Article for the school year 1967-68, the amount of the State Share of Current Expenses shall be increased by this difference.
