

(3) For each one cent (1¢) levied on its taxable basis by the City of Baltimore and by each county for the purpose specified in subsection (2) of this section, there shall be paid from the State general fund to the City of Baltimore and to the board of education of each county levying the same, the difference between two dollars (\$2.00) multiplied by the number of pupils enrolled in said counties or the City of Baltimore and the amount raised in the City of Baltimore and in each of the counties by the levy of one cent (1¢) as aforesaid. For each two cents (2¢) levied on its taxable basis by the City of Baltimore and by each county for the purpose specified in subsection (2) of this section, there shall be paid from the State general fund to the City of Baltimore and to the board of education of each county levying the same, the difference between four dollars (\$4.00) multiplied by the number of pupils enrolled in said counties or the City of Baltimore and the amount raised in the City of Baltimore and in each of the counties by the levy of two cents (2¢) as aforesaid. For each three cents (3¢) levied on its taxable basis by the City of Baltimore and by each county for the purpose specified in subsection (2) of this section, there shall be paid from the State general fund to the City of Baltimore and to the board of education of each county levying the same, the difference between six dollars (\$6.00) multiplied by the number of pupils enrolled in said counties or the City of Baltimore and the amount raised in the City of Baltimore and in each of the counties by the levy of three cents (3¢) as aforesaid. For each four cents (4¢) levied on its taxable basis by the City of Baltimore and by each county for the purpose specified in subsection (2) of this section, there shall be paid from the State general fund to the City of Baltimore and to the board of education of each county levying the same, the difference between eight dollars (\$8.00) multiplied by the number of pupils enrolled in said counties or the City of Baltimore and the amount raised in the City of Baltimore and in each of the counties by the levy of four cents (4¢) as aforesaid. For each five cents (5¢) levied on its taxable basis by the City of Baltimore and by each county for the purpose specified in subsection (2) of this section there shall be paid from the State general fund to the City of Baltimore and to the board of education of each county levying the same, the difference between ten dollars (\$10.00) multiplied by the number of pupils enrolled in said counties or the City of Baltimore and the amount raised in the City of Baltimore and in each of the counties by the levy of five cents (5¢) as aforesaid.

(4) In addition to the amounts to be paid to Baltimore City and to each county as specified in subsection (3) of this section, there shall be paid from the State general fund to the City of Baltimore and to the board of education of each county levying a fractional part of a cent under one, two, three, four or five cents on its taxable basis for the purpose specified in subsection (2) of this section, an amount equal to the difference between the same fractional part of two dollars (\$2.00) multiplied by the number of pupils enrolled in the City of Baltimore or the said counties and the amount raised in the City of Baltimore and in each of the counties by the additional levy of the fractional part on one cent (1¢) as aforesaid.

(5) If the county commissioners of each county and the mayor and city council of Baltimore have levied a minimum of five cents on each one hundred dollars of their taxable basis for the purpose of
