No. 10

(Senate Joint Resolution 10)

Senate Joint Resolution requesting the State Board of Health and Mental Hygiene to make a study of the feasibility of establishing requirements for permits by food handlers, physical examinations in connection therewith, and the cost of establishing and maintaining such a program.

WHEREAS, Communicable diseases can be transmitted by the handlers of food in public places; and

WHEREAS, Systematic physical examination and licensing of such food handlers will aid greatly in the control of communicable diseases; and

WHEREAS, such control will inure to the benefit of the State of Maryland as a whole; now, therefore, be it

*Resolved by the General Assembly of Maryland*, That the State Board of Health and Mental Hygiene be requested to create in its Department a Study Group, to consider the feasibility of requiring food handlers to be licensed, to base such licenses upon physical examinations including blood tests and chest X-rays, and to consider further the cost involved in establishing and maintaining such a program for examining and licensing food handlers; and be it further

*Resolved*, That a copy of this Resolution be sent to the Director of the State Board of Health and Mental Hygiene; and be it further

*Resolved*, That the Director of the State Board of Health and Mental Hygiene report the results of the proposed study to the General Assembly on or before a date within two weeks after said General Assembly convenes for the 1968 General Session.

Approved May 4, 1967.
