No. 43

(House Joint Resolution 21)

House Joint Resolution, requesting the Legislative Council to appoint a committee to study the desirability and feasibility of appropriating funds with which the various natural resource management agencies in the State might initiate research projects on a contractual basis.

It is the desire of the General Assembly of Maryland that the various natural resource management agencies in the State be authorized to initiate needed research projects by contracting with private concerns for the completion of such projects; now, therefore, be it

*Resolved by the General Assembly of Maryland*, That the Legislative Council be requested to appoint a committee to study the desirability and feasibility of appropriating funds with which the various natural resource management agencies in the State might initiate research projects on a contractual basis and that such committee report its findings to the 1968 General Assembly.

Approved May 4, 1967.

No. 44

(House Joint Resolution 23)

House Joint Resolution requesting the Department of Chesapeake Bay Affairs to make a study of the ~~practicality and~~ cost of resurveying the bottom of the Chesapeake Bay and its tributaries.

It is the desire of the General Assembly that, if practical, a survey of the bottom of the Chesapeake Bay and its tributaries ~~should~~ SHALL be made by the Department of Chesapeake Bay Affairs in the near future.

The last such survey having been completed in 1912, the need for current information in this area is evident; now, therefore, be it

*Resolved by the General Assembly of Maryland*, That the Department of Chesapeake Bay Affairs be requested to make a study of the ~~practicality and~~ cost of resurveying the bottom of the Chesapeake Bay and its tributaries, AND TO REPORT ITS FINDINGS TO THE 1967 SESSION OF THE LEGISLATIVE COUNCIL.

Approved May 4, 1967.
