

Annotated Code of Maryland (1964 Replacement Volume and 1966 Supplement), title "Insurance," subtitle "Miscellaneous," to follow immediately after Section 488 thereof, and to read as follows:

489.

For the purposes of disability insurance, standard health and accident, sickness and other insurance policies, a chiropractic physician, duly licensed to practice in the State of Maryland, shall be entitled to compensation for ~~his~~ THOSE services WHICH HE IS LICENSED TO PERFORM UNDER THE PROVISIONS OF ARTICLE 43 AND WHICH HE HAS rendered to any insured.

SEC. 2. *And be it further enacted, That this Act shall take effect June 1, 1967.*

Approved April 14, 1967.

CHAPTER 161

(House Bill 547)

AN ACT to repeal and re-enact, with amendments, Section 503(a), 508, and 512 of Article 43 of the Annotated Code of Maryland (1965 Replacement Volume), title "Health," subtitle "Chiropractic," to provide changes in the educational requirements of applicants for license as chiropractors and to increase their qualifications and fee for renewal of a license and to increase the fee to license a person already licensed outside of this State.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That Sections 503(a), 508, and 512 of Article 43 of the Annotated Code of Maryland (1965 Replacement Volume), title "Health," subtitle "Chiropractic," be and they are hereby repealed and re-enacted, with amendments, to read as follows:*

503.

(a) Any person wishing to practice chiropractic in this State, before it shall be lawful for him to do so, shall make application to said Board of Chiropractic Examiners, through the secretary-treasurer thereof, upon form thereof and in such manner as to be adopted and directed by the Board, at least twenty (20) days prior to any meeting of said Board. The Board may admit to the qualifying examinations for the practice of chiropractic in Maryland any graduate of a chiropractic school or college, the curriculum, teaching standards, and facilities of which are approved by the said Board; in which the minimum course for the granting of a degree of Doctor of Chiropractic (D. C.) is four academic years, comprising not fewer than four thousand (4,000) sixty-minute hours of resident study; and must also submit certified transcripts of records showing the satisfactory completion of two full academic years of college work in a university or college approved by the Maryland State Department of Education. This college credit shall include completed and satisfactory credits in the sciences of biology, chemistry and physics **[.]**; OR *any combination of any two of the three.*
