

(e) *Upon the failure of a third examination, the applicant may not apply for re-examination under the current application. Such applicant may not submit a new application for registration for a period of four years.*

15.

(a) The Board shall issue a certificate of registration upon payment of registration fees as provided for in this article to any applicant who, in the opinion of the Board, has satisfactorily met all requirements of this article. In the case of a [registered] professional engineer, the certificate shall authorize the "practice of engineering." In the case of an engineer-in-training or land surveyor-in-training, the certificate shall state that the applicant has successfully [passed] completed the examination in fundamental engineering or land surveying subjects required by the Board and has been enrolled as an "engineer-in-training" or "land surveyor-in-training." In the case of a [registered] professional land surveyor, the certificate shall authorize the "practice of land surveying." AND IN THE CASE OF A PROPERTY LINE SURVEYOR, THE CERTIFICATE SHALL AUTHORIZE THE PRACTICE OF PROPERTY LINE SURVEYING. Certificates of registration and certificates as engineer-in-training or land surveyor-in-training shall show the full name of the registrant, shall have a serial number, and shall be signed by the Chairman and the Secretary of the Board under seal of the Board.

(b) The issuance of a certificate of registration by the Board shall be prima facie evidence that the person named therein is entitled to all the rights and privileges of a [registered] professional engineer, or of a [registered] professional land surveyor, while the said certificate remains unrevoked or unexpired.

(c) Each registrant hereunder is entitled upon registration to obtain a seal of the design authorized by the Board, bearing the registrant's name and the legend "Registered Professional Engineer" or "Registered Professional Land Surveyor." [Plans, specifications, plats, and reports prepared by a registrant shall be stamped with the said seal when filed with public authorities, during the life of the registrant's certificate, but it shall be unlawful for anyone to stamp or seal any documents with said seal after the certificate of the registrant named thereon has expired or has been revoked, unless said certificate shall have been renewed or reissued.] *This seal is for the personal use of the registrant only. Plans, specifications, plats and reports prepared by a registrant shall be stamped with the said seal or facsimile thereof and signed by the registrant when issued to any clients or when filed with public authorities during the life of the registrant's certificate. Any such plans, specifications, plats and records which are not so sealed and signed shall not be accepted by any public authority.*

(d) *It shall be unlawful for anyone to stamp or seal or sign any documents with said seal after the certificate of the registrant named thereon has expired or has been revoked, unless said certificate shall have been renewed or reissued.*
