

*Prince George's County Commissioners. As herein used the term "county governing body" shall mean the Montgomery County Council with respect to Montgomery County and the Board of County Commissioners with respect to Prince George's County, and the provisions for submission to, hearing held by, and approval, disapproval and other provisions for review by the county governing body shall apply to and the powers be exercised by the Montgomery County Council with respect to the portion of the programs, revisions or amendments thereof concerning water and sewerage facilities in Montgomery County and by the Board of County Commissioners for Prince George's County concerning the same in Prince George's County.* In addition to the provisions of subsection (b) above, and not in substitution therefor, at least fifty days before final adoption by the Sanitary Commission of the five year programs, of the annual revisions and of any interim amendment, it shall submit to the [Montgomery County Council] *county governing body* the portion of such programs or revisions or amendments concerning major extensions of sewer and water facilities in [Montgomery County. The County Council] *that respective county. Each county governing body* shall hold a public hearing [thereon] *on the proposal submitted to it, ten days' notice of which shall be given by one publication in a newspaper or newspapers of general circulation in [Montgomery County] that county.* Such public hearing shall be held not less than twenty-five nor more than thirty-five days after submission of the program to the [Council] *county governing body.* If, thereafter, the [County Council] *county governing body, with respect to the portion of the programs referred to it,* shall not respond within forty-five days of receipt of the Commission's submission, its consent thereto shall be assumed. If the [County Council] *county governing body* shall disapprove any project in [Montgomery County] *its county* contained in any such submission, or shall request DEFERRAL OF ANY SCHEDULED PRIORITY FOR ANY SUCH PROJECT, OR SHALL REQUEST that no connection or access be permitted on any project or portion thereof, the Sanitary Commission shall amend its program accordingly, but [the County Council's] *a county governing body's* disapproval of a water project shall not extend to one designed to provide significant water service to [Prince George's County] *the other county,* and in such situation the [County Council] *county governing body* may designate the portion of the water line within [Montgomery County] *its county* as a limited access line with respect to connections in [Montgomery County] *such county.* Where recommendations have been received from the Park and Planning Commission and the Sanitary Commission does not agree therewith, the Sanitary Commission shall submit, in writing, to the [Montgomery County Council,] *pertinent county governing body* its reasons for not accepting such recommendations and furnish a copy to the Park and Planning Commission. Where recommendations for disapproval of a project or a portion thereof or recommendations of designations of limited access are received from the Park and Planning Commission, the [County Council] *county governing body* shall separately consider and vote on each item which received such recommendation for disapproval or designation of limited access. If the [County Council] *county governing body* shall recommend the addition of a new project or an advance in the priority of any project in [Montgomery County] *its county,* the Sanitary Commission ~~may, in its discretion,~~ SHALL amend its pro-
