(e) Notwithstanding the provisions of subsections (a) to (d), inclusive, of this section, any student fifteen years of age or older enrolled in a high school or junior high school course in driver education and training, may operate a dual control motor vehicle without obtaining an instruction and examination permit, when such student is under instruction and accompanied by a qualified driver training instructor of said course. [Any person who presents to the Commissioner of Motor Vehicles a certificate of satisfactory completion of a high school or junior high school course in driver education and training within one year after the date of completion of the course, and who pays a fee of five dollars (\$5.00), may take the final examination for an operator's or chauffeur's license without first obtaining an instruction and examination permit.]

The Commissioner of Motor Vehicles may accept ~~such~~ A certificate as proof of such applicant's knowledge of the traffic laws of the State without further examination as to such knowledge. Four dollars (\$4.00) of said fee shall go into a special fund in the State treasury known as the Driver Education Fund, which monies shall be accumulated until expended as provided in this section. Out of such funds from and after July 1, 1962, the Department of Education shall provide for driver education for public high school students in the various counties and Baltimore City. The Department of Education shall apportion the revenues in the fund to the various subdivisions on the basis of the number of students enrolled in the driver training program in the respective subdivisions. The balance of said funds shall not revert to the general treasury, but shall be dedicated and held for driver education.

**SEC. 2.** *And be it further enacted,* That this Act shall take effect June 1, 1967.

Approved April 14, 1967.
