

at the annual meeting of said Faculty; and each appointee is immediately after his selection to be furnished with a certificate thereof by the Faculty. *One member holding the degree of doctor of osteopathy shall be appointed by the Governor from a full list of the members in good standing of the Maryland Osteopathic Association which list shall be transmitted to the Governor, under the seal and signed by the president and secretary of the said association; and each appointee is immediately after his selection to be furnished with a certificate thereof by the Governor.* Each such member of said Board shall serve for four years, or until his successor is selected and qualified. Two examiners shall be selected **[by the Faculty]** in each year, to serve for a term of four years or until their successors are selected and qualified, the outgoing members to be eligible for re-election. The terms of office of all members so selected shall begin on the first day in June, in the year in which they shall be respectively selected; the Board is to have the exclusive right to examine, pass upon the qualifications of and license applicants for the practice of medicine or surgery in State of Maryland. The examiners shall be physicians actually engaged in the practice of medicine and surgery in the State of Maryland, and of recognized ability and integrity. In case of a vacancy occurring on the Board among the members holding the degree of doctor of medicine, it shall fill the same until the next annual meeting of the Medical and Chirurgical Faculty, when said Faculty shall select an examiner to serve for the remainder of such unexpired term. In case of a vacancy occurring in the position of the member of the Board holding the degree of doctor of osteopathy, the Board shall request the Governor to fill the same for the remainder of such unexpired term in the same manner as original appointments are made. The Governor shall, after reasonable notice and opportunity for hearing, have the power to remove any member of the Board for any of the following causes: Misconduct in office, incompetency, immorality, willful neglect of duty or any cause which is a ground for revocation of a license to practice medicine and surgery in this State.

## 124.

Before any person shall commence the practice of medicine or surgery in any of their branches, he shall make a written application for license to the Board of Medical Examiners, accompanied by satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character and has received a diploma conferring the degree of doctor of medicine or doctor of osteopathy from some legally incorporated medical or osteopathic college in the United States or some foreign country; said diploma, if from a college in the United States, must have been conferred by a legally incorporated college having entrance requirements, standard of education, and requirements for graduation as defined by the Association of American Medical Colleges or the Council on Medical Education and Hospitals of the American Medical Association, or the American Osteopathic Association and if from a college in a foreign country, the entrance requirements, standard of education, and requirements for graduation shall be equivalent to the standard defined by the Association of American Medical Colleges or the Council on Medical Education and Hospitals of the American Medical Association. **PROVIDED THAT APPLICANTS HOLDING THE DEGREE OF DOCTOR OF OSTEOPATHY MUST, IN ADDITION TO THE FORE-**
