The Speaker announced the veto was sustained.

May 4, 1967.

Honorable Marvin Mandel
Speaker of the House of Delegates
State House
Annapolis, Maryland

Dear Mr. Speaker:

In accordance with Section 17 of Article II of the Maryland Constitution, I have vetoed today House Bill 455 and am returning it to you.

This bill would add to the membership of the Maryland Commission on the Aging a special representative of the nursing home industry.

Although I have signed a similar bill providing for the appointment of a representative of the nursing home industry to the State Board of Health and Mental Hygiene, because of my belief that the industry is intimately involved in matters over which the Board has jurisdiction and influence and that it will contribute to the knowledge and perceptivity of the Board, I am compelled to veto this bill because of my equally strong belief that the Commission on the Aging is constituted so that any representation of a specific industry or group would be detrimental to its objectivity and possibly work some impediment to its independent judgment and recommendations.

Sincerely yours,

(s) SPIRO T. AGNEW,

Governor.
