

pality; (4) when ordered by the Governor to act within the municipality; or (5) when enforcing the motor vehicle laws of this State.

(c) *Outside State.* No police employee shall be placed on detached service and act for any federal department, agency or committee outside of the State of Maryland without the written approval of the Governor or as otherwise provided by law.

Coordinate Duties of Department

5. Generally.

The duties and powers of the Department with respect to law enforcement are supplemental to and concurrent with similar powers and duties conferred by law upon other law enforcement agencies of the State in their respective jurisdictions. Technological developments, changes in the population and economy of the State, and other factors directly related to proper law enforcement require effective cooperation between all such agencies in order to provide efficient utilization of equipment, personnel, and information and prompt means of collection, analysis, and dissemination of information relevant to the duties of all such agencies. The duties imposed upon the Department by this subtitle shall be construed to promote such effective cooperation. Such duties shall not be construed to limit the powers or responsibility of any other law enforcement agency or to make any such agency subject to the supervision of the Department.

6. Training facilities.

The Department shall make its training facilities available to any law enforcement agency of the State and the Police Training Commission to the extent permitted by fiscal appropriation and the availability of such facilities and employees of the Department. The extent of use of such facilities, the course of training, and the qualifications of persons using such facilities shall be established by rule of the Superintendent.

7. Communications systems.

Any law enforcement agency of the State or any State agency may be permitted to connect with and use any teletypewriter, voice communication, data communication, message switching or other communication system established by the Department for Statewide use. Such connection and use shall be subject to and in accordance with rules established by the Superintendent to promote the purposes of this subtitle, to insure the effective, economical, and efficient utilization of the entire system, and to prevent interference with the law enforcement duties of the Department. Violation of such rules shall constitute sufficient basis for withdrawal of permission to connect with and use such system. To the extent permitted by specific budget appropriation, the cost of rental of such equipment and the circuitry necessary thereto shall be paid by the State, except rental and/or purchase costs of terminal devices and the circuitry necessary thereto tied to the State Police Computer System; all supplies and other charges connected therewith shall be paid by the law enforcement agency.

8. Motor vehicle accidents.

The Department shall collect, analyze, and disseminate information relative to the occurrence of motor vehicle accidents within the
