

(b) *The term "inspector" means an employee or official of this State authorized by the Board to inspect livestock or carcasses, parts thereof, or meat food products under the authority of this subtitle.*

(c) *The term "person" means any individual, partnership, corporation, association, or any other business entity.*

(d) *The term "meat broker" means any person engaged in the business of buying or selling livestock carcasses, parts thereof, or meat food products on commission, or otherwise negotiating purchases or sales of such articles other than for his own account or as an employee of another person.*

(e) *The term "renderer" means any person engaged in the business of rendering carcasses, or parts or products of the carcasses, of livestock or poultry, except rendering conducted under inspection or exemption under this subtitle.*

(f) *The term "animal food manufacturer" means any person engaged in the business of manufacturing or processing animal food derived wholly or in part from carcasses, or parts or products of the carcasses, of livestock.*

(g) *The term "intrastate commerce" means commerce wholly within this State.*

(h) *The term "livestock" means cattle, sheep, swine, goats, horses, mules, or other equines.*

(i) *The term "carcass" means all parts, including viscera, of any slaughtered livestock, that are capable of being used for human food.*

(j) *The term "meat" means the edible part of the muscle of cattle, sheep, swine, or goats which is skeletal or which is found in the tongue, in the diaphragm, in the heart, or in the esophagus, with or without the accompanying and overlying fat, and the portions of bone, skin, sinew, nerve, and blood vessels which normally accompany the muscle tissue and which are not separated from it in the process of dressing. It does not include the muscle found in the lips, snout or ears. This term as applied with respect to equines shall have a meaning comparable to that provided in this paragraph with respect to cattle, sheep, swine and goats.*

(k) *The term "meat by-products" means any edible part other than meat which has been derived from one or more cattle, sheep, swine or goats. This term as applied with respect to equines shall have a meaning comparable to that provided in this paragraph with respect to cattle, sheep, swine and goats.*

(l) *The term "meat food product" means any product capable of use as human food which is made wholly or in part from any meat or other portion of the carcass of any cattle, sheep, swine, or goats, excepting products which contain meat or other portions of such carcasses only in a relatively small proportion or historically which have not been considered by consumers as products of the meat food industry, and which are exempted from definition as a meat food product by regulations adopted under this subtitle. This term as applied with respect to equines shall have a meaning comparable to that provided in this paragraph with respect to cattle, sheep, swine, and goats.*
