

which shall be a limited license and shall permit the holder thereof to do the following: Wire and maintain sign or signs and run service to and as far as a main switch panel only.

(e) *Maintenance*: After examination, there shall be issued to those qualified, a license hereinafter to be known as a maintenance electrician, which shall be a limited license and shall permit the holder thereof to do the following: Said licensee while employed exclusively by a manufacturer operating a manufacturing plant shall be allowed, after said firm shall be certified to have sufficient electrical supply installed in its plants, to maintain, repair, renew, replace any and all electrical wiring already installed by or under the supervision of a Master Electrician, but in no case shall he be allowed to extend any lines or install any electrical equipment which has not first been installed by or under the supervision of a Master Electrician.

240 241.

(a) *Issue of license*. Before any person shall hereafter engage in the business of Master Electrician, and/or Journeyman Electrician, Oil Burner Electrician, Sign Electrician, or Maintenance Electrician in Harford County, as defined in this subtitle, and before any person now engaged in this business or any class thereof, shall continue in the business of Master Electrician, and/or Journeyman Electrician, Oil Burner Electrician, Sign Electrician, or Maintenance Electrician, such person shall apply to the Board for a license, as herein required, whereupon the applicant shall present himself before the Board at a time and place fixed by the Board. If the Board shall find upon due examination that the applicant presenting himself has a reasonable knowledge of electricity and the natural laws and functions of electric wires, appliances, and devices for electric light, heat and power purposes, and is possessed of skill and knowledge in all matters appertaining to the business of Master Electrician, and/or Journeyman Electrician, Oil Burner Electrician, Sign Electrician, or Maintenance Electrician, as defined in this subtitle, then the Board upon payment of the fee, which shall be twenty-five dollars (\$25.00 for any examination held on the first Monday of February and August in each and every year, and fifty dollars (\$50.00) for any examination held other than on the above dates, and upon complying with the provisions of Section 244 of this subtitle, shall issue to the said person a license as Master Electrician and/or Journeyman Electrician, Oil Burner Electrician, Sign Electrician, or Maintenance Electrician, to practice said business for a term of one year, and shall register such person as a duly licensed Master Electrician and/or Journeyman Electrician, Oil Burner Electrician, Sign Electrician, or Maintenance Electrician. No person who has been engaged as a bona fide contractor in the electrical contracting business in Harford County for a period of three (3) years prior to July 1, 1968, shall be required to take the examination as provided in this section before the issuance of such license. No license shall be granted to any person under the age of twenty-one (21) years, nor shall any license be granted to any person who has not taken and subscribed an oath that he has had at least one (1) year of actual experience as a Master Electrician, and/or Journeyman Electrician, Oil Burner Electrician, Sign Electrician, or Maintenance Electrician, within the meaning
