

Assembly with respect to the office of fiscal officer of Harford County.

WHEREAS, The General Assembly by Chapter 492 of the Acts of 1966 created as a part of the office of the Director of Administration of Harford County, a Division of Fiscal Management; and

WHEREAS, The Division of Fiscal Management is headed by a fiscal officer who is appointed by the County Commissioners and who has such duties and functions as the Director of Administration may assign to him; and

WHEREAS, The legislative act in Section 205(d) further provides that the fiscal officer shall be a person who is experienced and skilled in problems of bookkeeping and accounting, governmental finance, fiscal matters and financial methods and procedures; and

WHEREAS, The government of Harford County is a large business and the General Assembly intended that the fiscal officer possess the qualifications necessary to manage the fiscal affairs of a large business; and

WHEREAS, It is desirable to call to the attention of the County Commissioners their failure to implement the intention of this legislation and to urge the prompt appointment to the position of fiscal officer of a person meeting the qualifications fixed by law; now, therefore, be it

*Resolved by the General Assembly of Maryland, That the Board of County Commissioners of Harford County is urged to implement the intention of the General Assembly in regard to filling the position of fiscal officer of Harford County; and be it further*

*Resolved, That copies of this Resolution are sent to the Members of the Board of County Commissioners of Harford County and to the Director of Administration of the County.*

Approved April 10, 1968.

No. 17

(Senate Joint Resolution 66)

Senate Joint Resolution requesting the County Commissioners of Harford County to review the Montgomery County program for sediment control to determine the desirability of making such requirements effective in Harford County.

WHEREAS, The problems of soil erosion at construction projects in subdivisions creates a serious form of stream pollution; and

WHEREAS, For the purpose of combating this problem, the County Council of Montgomery County on June 29, 1965, adopted a Mont-
