

JOINT RESOLUTIONS

No. 36

(House Joint Resolution 31)

House Joint Resolution requesting the Governor to appoint a special committee to develop a program which will aid in the detection and prevention of communicable disease with particular emphasis on the protection of public school children in the State of Maryland.

WHEREAS, The health standards of the State of Maryland are of deep and abiding concern to the members of the Maryland General Assembly; and

WHEREAS, It is the responsibility of the members of the Maryland General Assembly to protect the health, welfare and safety of the citizens of this State; and

WHEREAS, There is serious doubt that all children in the State of Maryland are receiving maximum protection from disease through an immunization program made mandatory for public school attendance; and

WHEREAS, The State of Maryland has within its borders a major port of entry, there exists a broad concern as to adequate protection of our citizens; and

WHEREAS, The State of Maryland is seriously troubled by rising costs under the Medical Assistance program and all possible preventive measures should be explored; now, therefore, be it

Resolved by the General Assembly of Maryland, That the Governor is requested to appoint a special committee to develop a program which will aid in the detection and prevention of communicable disease, with particular emphasis on the protection of public school children in the State of Maryland. The committee should include representation from the Health Departments of a suburban county, a rural county, Baltimore City and from the State Department of Education.

Resolved, That this committee when appointed is requested to meet and organize promptly and to submit to the Governor and to the General Assembly prior to the 1969 Session of the General Assembly the committee's conclusions and recommendations.

Approved May 7, 1968.
