

remainder of the Bill would not be affected in any event. *Baltimore v. A. S. Abell Co.*, 218 Md. 273 (1958).

It is also true that the title of the Bill refers to the licensing of scrap processors along with wreckers whereas the Bill actually does not provide for the licensing of scrap processors. However, we do not view this inaccurate limitation in the title as being misleading in the constitutional sense, but rather mere surplusage. *Pressman v. State Tax Comm.*, 204 Md. 78 (1954).

We trust this information will be helpful to you.

Sincerely,

(s) FRANCIS B. BURCH,
Attorney General.

Senate Bill No. 560—Plumbing

AN ACT to repeal and re-enact, with amendments, Section 329 of Article 43 of the Annotated Code of Maryland (1965 Replacement Volume), title "Health," subtitle "Plumbing," and to add new Section 333A to said Article, title, and subtitle, to follow immediately after Section 333 thereof, relating generally to plumbing work and the licensing thereof, appointment of members of the State Board of Commissioners of Practical Plumbing, officers and procedures of the State Board of Commissioners of Practical Plumbing, providing for a maintenance master plumber's license, requiring such a license for the performance of plumbing repair, service, or maintenance work, relating to fees charged by the Board and the issuance of licenses on a reciprocal basis.

May 7, 1968.

Honorable William S. James
President of the Senate
State House
Annapolis, Maryland

Dear Mr. President:

In accordance with Section 17 of Article II of the Maryland Constitution, I have vetoed today Senate Bill 560 and am returning it to you.

This bill would require the approval of four members of the board rather than three in order for an applicant to be granted a certificate of competency and be registered as a practical plumber. It also provides for Senate confirmation of appointments to the Board of Commissioners of Practical Plumbing. The Board of Commissioners of Practical Plumbing has expressed its disapproval of the bill and has indicated that the present method of selection will produce the most qualified members. I am in agreement with them, and I therefore am compelled to veto this measure.

Sincerely,

(s) SPIRO T. AGNEW,
Governor.
