CHAPTER 138

(Senate Bill 349)

AN ACT to repeal and re-enact, with amendments, Section 51 of Article 96A of the Annotated Code of Maryland (1964 Replacement Volume), title "Water Resources", subtitle "Other Powers and Functions", to provide that the Department of Water Resources shall administer financial assistance to local governments and other State agencies as may be made available for this purpose; to repeal Section 52 of said title and subtitle of said Code and to enact new Section 52 in lieu thereof, to stand in the place of the section repealed, to require the Department of Water Resources to cooperate with federal, state and local agencies in all water resource projects or programs affecting the waters of the State and to administer such financial assistance therefor as may be made available.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That Section 51 of Article 96A of the Annotated Code of Maryland (1964 Replacement Volume), title "Water Resources", subtitle "Other Powers and Functions", be and it is hereby repealed and re-enacted, with amendments, and that Section 52 of said title and subtitle of said Code be and it is hereby repealed; and that new Section 52 be and it is hereby enacted in lieu thereof, to stand in the place of the section repealed and to read as follows:*

51.

The Department shall provide technical assistance to local governments and other State agencies in interpreting flood information and in drafting local land use and other regulations pertaining to areas subject to flooding. The Department shall review plans for local public works and shall further exercise regulatory control over all such works in or on the waters of the State as provided for in Sections 10 through 21, inclusive, of this article. *The Department shall administer such financial assistance for flood control as may be made available for this purpose.*

52.

*In carrying out its responsibility for water resource planning, development and management, the Department shall cooperate with*
