

313. Admission of inebriates and alcoholics to private and public hospitals.

The Division of Alcoholism Control shall promote the intent of the Legislature that inebriates and alcoholics be admitted to and treated in private and public hospitals without discrimination. The Division may make recommendations to the Governor and the Legislature for such legislation as it deems appropriate to accomplish this policy.

314. Training of professional and nonprofessional alcoholism workers.

The Division of Alcoholism Control shall be responsible for organizing and fostering training programs for professional and nonprofessional workers with regard to intoxication and alcoholism.

315. Education about and prevention of alcoholism.

The Division of Alcoholism Control shall be responsible for a comprehensive program of education of the general public about and prevention of alcoholism. The Division shall coordinate its activities under this section with all appropriate public and private agencies and groups, including manufacturers of alcoholic beverages.

316. Reports of the Division of Alcoholism Control.

(a) The Division of Alcoholism Control shall submit an annual report to the Department which shall be forwarded to the Legislature and the Governor and shall be made public. It shall also submit such additional reports as may be requested by the Department, the Governor, or the Legislature.

(b) The Division shall maintain a continuing evaluation of its programs and shall conduct pilot and demonstration projects to improve its programs. It shall from time to time submit to the Department, and may submit to the Legislature and the Governor, recommendations to further the rehabilitation of chronic alcoholics, prevent the excessive and abusive use of alcoholic beverages, and promote moderation.

(c) The Division shall prepare and publish materials, data, information, and statistics that relate to the problems of intoxication and alcoholism in the State and that may be used in a program of public education directed toward the prevention of the excessive and abusive use of alcoholic beverages.

**COMPREHENSIVE INTOXICATION AND ALCOHOLISM
CONTROL PLAN**

401.

(a) The Division of Alcoholism Control shall proceed immediately to develop a detailed and comprehensive intoxication and alcoholism control plan for the State, covering all counties, cities, and other municipal subdivisions, to implement the objectives and policies of this Act.

402.

(a) The Division, in developing this comprehensive plan, shall consult and collaborate with public and private departments, agencies, institutions and organizations in this State. This shall include, but not be limited to, State and local governmental departments and
