

CHAPTER 321  
(House Bill 871)

AN ACT to add a new Section 251A(m) to Article 27 of the Annotated Code of Maryland, (1967 Replacement Volume), title "Crimes and Punishments," subtitle "Gaming," amending the laws concerning the playing and operating of certain bingo games in Worcester County in order to make this law applicable in the Third Election District of Worcester County and to clarify its application in certain other election districts.

WHEREAS, Section 251A of Article 27 in the Code concerning games of bingo in Worcester County was enacted by Chapter 266 of the Acts of 1961, its effect being made contingent upon its being approved by the voters in individual election districts.

It now is desirable to add a new subsection to this law in order to state the fact that it applies in the Fifth and Tenth Election Districts and, at the same time, to insert a provision making this law applicable in another of the election districts of Worcester County; now, therefore,

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That new Section 251A(m) be and it is hereby added to Article 27 of the Annotated Code of Maryland, (1967 Replacement Volume), title "Crimes and Punishments," subtitle "Gaming," to read as follows:
