Within ninety days from May 4, 1965, the Mayor and City Council of Ocean City shall engage the services of a licensed surveyor, who by acting in collaboration and consultation with the City Engineer of Ocean City, shall prepare a plat showing in detail the fill and bulkhead line and the borrow area limit line as specified in this section and file the plat among the land records of Worcester County.

No person, firm, or corporation, may pump, dig, excavate, or remove (herein described as "borrow") sand or other solid fill materials from Isle of Wight Bay or Assawoman Bay, on whatever in a particular place may be the westerly of two lines described as (1) the westerly or outer side of the line herein described as the borrow area limit line, and (2) the line 1,000 feet westerly from the fluctuations of the bulkhead line.

SEC. 2. *And be it further enacted, That this Act shall take effect July 1, 1968.*

Approved April 10, 1968.

CHAPTER 406
(House Bill 1333)

AN ACT to create a Worcester County Governmental Study Commission to study the governmental structure of Worcester County, to provide for the appointment and qualifications of its members, to require it to report promptly, and to provide funds for the purposes of the Commission, and to provide that the Act is contingent upon the passage of the proposed Constitution.

WHEREAS, Worcester County has experienced significant changes in recent years by way of increased population and otherwise, and is on the threshold of even more changes in the name of progress; and

WHEREAS, The needs of the people, among other services, for public works including roads, storm sewer, water and recreation facilities will be increased and will require efficient governmental servicing; and

WHEREAS, the proposed Constitution, to be voted on for ratification on May 14, 1968, adopts inter alia home rule government and establishes that every county shall have an instrument of government in effect by January 6, 1971; and

WHEREAS, It is realized that basic changes in government should not be entered into lightly or on the basis of immediate present need, but should be made for generations; and
