

effect that such weight or measure is available for examination, [or is due for reexamination, as the case may be,] or unless specific written permission to use such weight or measure has been received from the office of the Superintendent or from the sealer in whose territory the weight or measure is located.

SEC. 3. *And be it further enacted,* That new Sections 11A and 11B be and they are hereby added to the said Article and subtitle of the Code, to follow immediately after Section 11 thereof, and to read as follows:

11A.

*Whenever he finds that a violation or violations of this subtitle or regulations promulgated thereunder have occurred, the Superintendent may issue stop-use orders, stop-removal orders, and removal orders with respect to weights and measures being, or susceptible of being, commercially used, and may issue stop-removal orders and removal orders with respect to packages or amounts of commodities kept, offered, or exposed for sale, sold, or in process of delivery, whenever in the course of his enforcement of the provisions of this subtitle he deems it necessary for the protection of the public; and no person shall use, remove from the premises specified, otherwise dispose of, or fail to remove from the premises specified, any weight, measure, or package or amount of commodity contrary to the terms of a stop-use order, stop-removal order, or removal order issued under the authority of this section. This section shall not be construed as limiting the right of the Superintendent to proceed as authorized by other sections of this subtitle.*

11B.

*The Superintendent may bring an action for an injunction to restrain any person from using weighing and measuring devices, weighing or measuring, packaging, labeling or otherwise operating in violation of this subtitle or regulations promulgated by the Board pursuant to this subtitle to prevent any further and continuing violations of this subtitle or any such regulations.*

SEC. 4. *And be it further enacted,* That Section 192(c-1)(i) of Article 43 of the said Code (1965 Replacement Volume and 1967 Supplement), title "Health," subtitle "Adulteration of Food and Drink," subheading "Food and Drug Law," be and it is hereby repealed and re-enacted with amendments to read as follows:

192.

(c-1)(i) Ice milk means the pure, clean frozen products made from a combination of "milk products," sugar, dextrose, corn syrup in dry or liquid form, water, with or without egg or egg products, with harmless flavoring and with or without harmless coloring, and with or without added "stablizer" and emulsifier composed of wholesome edible material. It shall contain not more than one-half of one per centum by weight of "stabilizer," not more than one fifth of one per centum by weight of emulsifier, not less than two per centum, nor more than seven per centum by weight of milk fat, and not less than eleven per centum by weight of total milk solids. In no case
