CHAPTER 443

(House Bill 1034)

AN ACT to authorize the creation of a State Debt in the aggregate amount of Three Million, Five Hundred Thousand Dollars (\$3,500,000), the proceeds thereof to be used exclusively for purpose of supplementing grants made to the State Department of Health for public and other nonprofit nursing homes in this State by the Federal Government under the provisions of "Subchapter IV—Construction of Hospitals and Other Facilities", USCA, Title 42, Sections 291 *et seq.*, as amended from time to time, by granting financial allotments for the construction and equipping of such nursing homes, and providing generally for the issue and sale of Certificates of Indebtedness evidencing such loan, and providing for a certain contingency whereby this Act may be repealed and of no further effect.

SECTION 1. It is the intent of this Act that funds authorized shall be used primarily to provide nursing home facilities for patients certified for welfare assistance and persons of low income and that such funds shall be made available according to established priority formulae, giving first priority to sponsors in areas in which the unmet need for nursing home facilities for these patients is greatest.
