(2) Provided further that in addition to the foregoing registrations, the Department shall issue registrations to be known as "semidump trailer service registration" upon application therefor and certification by the applicant that the vehicle for which registration is sought is a semidump trailer for the transportation of loose material in bulk. Gross weight limitations shall be those specified for the tractor operated in combination with this vehicle. The Department may so issue license tags hereafter issued of this class as to distinguish their character and shall in any event be required to stamp registration cards issued pursuant to such application with the words "semidump trailer service" to indicate the specific character thereof. An applicant for semidump trailer service registration plates authorized herein shall pay therefor on each vehicle at the rate of 【three hundred and seventy (\$370.00)】 *four hundred and ninety-five (\$495.00)* dollars per vehicle. Except when operating on divided highway of two or more lanes in each direction and except when not loaded, tractors in combination with vehicles so registered shall at no time be operated at a rate of speed in excess of thirty-five (35) miles per hour and the fixing of this maximum limitation shall not be deemed to enlarge or increase any lesser speed limits fixed by any other law, ordinance, rule or regulation. Tractors so registered which are not subject to the thirty-five (35) miles per hour maximum speed limit shall be governed by speed limits as set forth elsewhere in this article. The combination of a registered Class F tractor and a vehicle having a semidump trailer service registration when operated as a unit for the transportation of loose materials in bulk within a radius of not more than forty (40)
