

8. Applications submitted from a municipality or special governmental agency within a County must have the approval of the County governing body within which it is located.

9. If more than one project is submitted, the applicant must indicate priority of projects.

10. Rules and regulations of the State Department of Forests and Parks, as approved by Board of Public Works, have been complied with.

(c) The State Department of Forests and Parks shall process and submit applications, plans and other supporting documents and data received, together with recommendations, to the State Commission of Forests and Parks. The Commission shall review the submissions and promptly report its findings and recommendations to the Board of Public Works. The Board of Public Works may approve, or modify and approve the recommendations submitted, provided, however, that any modifications made by the Board of Public Works shall be in accord with the adopted rules, regulations and criteria for allocation of funds.

(d) The Board of Public Works shall allocate from monies available under this Act, to every county, municipality, or any special governmental agency which is charged with providing outdoor recreation and open space areas within a county or municipality, whose project is approved, the sum recommended by the State Commission of Forests and Parks. The Board of Public Works shall certify the allocation of State funds to the Treasurer of the State, and the Treasurer shall make them available to the local governments and agencies which submitted the petitions, when needed for the undertaking of the respective projects.

(e) The State Department of Forests and Parks is directed to promulgate and adopt rules and regulations governing the development, submission and receiving of such applications, and for establishing criteria for setting priorities for allocation of funds under this Act. Such rules and regulations shall be prepared in consultation with the State Planning Department and such other State, local, or regional agencies or organizations as the Department of Forests and Parks may deem it appropriate to consult with, and shall be approved by the State Commission of Forests and Parks and the Board of Public Works.

1. For administering the allocations, the rules and regulations shall establish a reasonable time limit for the effective utilization of the allocation, beyond which cancellation and re-allocation to another project is required.

2. Any balance of funds not formally committed by the Board of Public Works within two (2) years after the effective date of this Act shall be reverted to the Annuity Bond Fund.

SEC. 6. *And be it further enacted,* That until all of the interest on and principals of any Certificates issued under this Act have been paid in full, there is hereby levied and imposed an annual State tax on each One Hundred Dollars (\$100) of assessable property at the rate to be determined in the following manner: On or before May 1, 1969, and on or before May 1st of each fiscal year thereafter, the Board of Public Works shall certify to the governing bodies of each
