So the house refused to reconsider their vote on said bill.

On motion of Mr. Causin,

The house took up for consideration the bill reported by him, as chairman of committee on corporations, entitled a further supplement to an act, entitled an act to incorporate the stockholders of the Franklin Bank of Baltimore;

The said bill was then read the second time and passed.

On motion of Mr. Weems,

The house took up for consideration the report submitted by him on the 15th instant, as chairman of the committee on inspections, relative to the condition and affairs of the State Tobacco Warehouses, in the city of Baltimore,

The said report was then read the second time and concurred in.

Mr. Richardson reported a bill, entitled a supplement to the act, entitled an act authorising the levy court of Frederick county, in their discretion, to levy a sum of money, to build a bridge over Fishing Creek, at or near Lewis town, on the road leading from Mechanics town to Frederick;

Which was read the first, and by a special order the second time; and passed.
