Mr. Bowie then moved to amend the bill from the Senate, by striking out all after the enacting clause of the bill and inserting in lieu thereof, the following :

"That from and after the day of the passage of this act, all such acts and parts of acts as provide that the clerk of the levy court of Prince George's county shall hold his office of clerk of said court during good behaviour, be and the same are hereby repealed ; and the said levy court shall and they are hereby directed and required on some day between the first and the twentieth days of April next, and annually thereafter, to appoint some suitable person to perform the duties now required by law, or hereafter may or be required to be performed by the clerk of said court, under the same obligations and responsibilities as are now prescribed by law."

Resolved in the affirmative.

The said bill was then passed with the proposed amendment and returned to the Senate.
