CHAPTER 411

(House Bill 32)

AN ACT to add new Sections 89 to 104, inclusive, to Article 96A of the Annotated Code of Maryland, (1964 Replacement Volume and 1968 Supplement), title "Water Resources," to follow immediately after Section 88 thereof, to be under the new subtitle "Maryland Potomac Water Authority," to establish the Maryland Potomac Water Authority for the purposes of financing the non-federal costs of the Bloomington Dam and Reservoir, to provide the authority of this body to carry out its functions, to authorize certain counties to collect the funds to pay their portion of the costs to the Authority, to provide that the Department of Water Resources shall include in its water appropriation permits for out-of-state users a charge for use of waters under the jurisdiction of the Authority, and generally dealing with the financing of non-federal costs of the Dam and Reservoir.

WHEREAS, Construction of the Bloomington Reservoir on the North Branch of the Potomac River has been authorized by the Flood Control Act of 1962, approved 23 October 1962 (Public Law 87-874, 87th Congress, 2nd Session, 76 Stat. 1173) substantially in accordance with the recommendations of the Chief of Engineers in House Document 469, 87th Congress, for the purposes of flood control, water supply, water quality control, and recreation; and

WHEREAS, Congressional authorization of construction of the Project is conditioned on responsible non-federal interests providing, prior to construction of the Project, the non-federal cooperation contained in said House Document 469; and

WHEREAS, The State has been identified as the responsible non-federal interest initially benefiting from and affected by the Project and has agreed to furnish the necessary non-federal cooperation as contained in said House Document 469; and
