

*(d) hot water boilers operated at pressures not exceeding 160 psig, or temperatures not exceeding 250 degrees F., which are located in private residences or in apartment houses of less than six (6) family units.*

173.

*(a) The present State boiler inspectors shall be retained in office by reason of their having passed the competitive State of Maryland boiler inspector's examination given by the State Commissioner of Personnel. At any time hereafter when the office of Chief Boiler Inspector or Deputy Boiler Inspector shall become vacant, the Commissioner of Personnel shall, as soon as practicable, conduct a competitive examination in accordance with State Merit System Law, the examination to be the same or equivalent to the examination given by the Board of Boiler Rules for special inspectors in Section 174 of this subtitle. The Commissioner of Labor and Industry shall appoint from the successful candidates a Chief Boiler Inspector or a Deputy Boiler Inspector, as the case may be.*

*(b) The Chief Boiler Inspector, if authorized by the Commissioner of Labor and Industry, is hereby charged, directed and empowered:*

*(1) to take action necessary for the enforcement of the laws of the State governing the use of boilers to which this Act applies and of the rules and regulations of the Board;*

*(2) to keep a complete record of the type, dimensions, maximum allowable pressure, age, location and date of the last recorded inspection of all boilers to which this Act applies;*

*(3) to issue, or to suspend, or revoke for cause, inspection certificates as provided for in Section 177 of this subtitle;*

*(4) to cause the prosecution of all violators of this Act.*

*(c) Deputy Boiler Inspectors shall be responsible to the Chief Inspector and shall perform such duties as the Chief Inspector may direct from time to time.*

174.

*(a) Upon the request of any company licensed to insure and insuring boilers in this State, the Commissioner of Labor and Industry shall issue to any inspectors of said company commissions as special inspectors, provided that each such inspector before receiving his commission shall satisfactorily pass the examination provided for in subsection (b) of this section, or, in lieu of such examination, shall hold a commission or a certificate of competency as an inspector of boilers for a state that has a standard of examination substantially equal to that of the State of Maryland or a commission as an inspector of boilers issued by the National Board of Boiler and Pressure Vessel Inspectors. No special inspectors shall receive salary from, nor shall any of their expenses be paid by, the State, and the continuance of a special inspector's commission shall be conditioned upon his continuing in the employ of the boiler insurance company duly authorized as aforesaid and upon his maintenance of the standards imposed by this Act. When such special inspectors inspect boilers insured by their respective companies, such inspection shall exempt the owners and users of such boilers from the payment to*
