

(1) *Graduation from an accredited college or university with a baccalaureate degree in Environmental Science or Natural Sciences, or the completion of thirty (30) acceptable semester credit hours in Natural Sciences and the passing of a written examination in the basic sciences related to environmental health; or*

(2) *Graduation from an accredited college or university with a baccalaureate degree in some field other than Environmental Science or Natural Sciences and a record of at least four (4) years of experience in the field of environmental sanitation and the successful completion of a written examination in the basic sciences relating to environmental health.*

729.

(a) *Examinations for registration as a Registered Sanitarian shall be administered not less than once each year at a time and place to be specified by the Board. The examinations may be written, oral, or both, and shall include applicable subjects in the field of sanitary science and such other subjects pertinent to the qualifications of Sanitarians as the Board prescribes. The examination shall be objective and practical in character. The examination papers shall not disclose the name of any applicant but shall be identified by a number assigned by the Secretary of the Board. The preparation of the examination shall be the responsibility of the Board, and the Board may use professional examination prepared by recognized examination agencies. The examination records shall be filed with the Secretary of the Board and retained at least one (1) year.*

(b) *Only persons satisfying the provisions of Section 727 of this subtitle shall be examined for registration as a Registered Sanitarian.*

(c) *The Board shall specify minimum examination grade requirements, and no person shall be registered who fails to meet these requirements.*

(d) *Any person may be re-examined upon resubmitting an application and the prescribed examination fee. The time and place of the re-examination shall be set by the Board.*

730.

(a) *Examination for registration as a Sanitarian-in-training shall be administered not less than once each year at a time and place to be specified by the Board. The examinations may be written, oral, or both, and shall include applicable subjects in the field of sanitary science and such other subjects pertinent to the qualifications of Sanitarians as the Board may prescribe. The examination shall be objective and practical in character. The examination papers shall not disclose the name of any applicant but shall be identified by a number assigned by the Secretary of the Board. The preparation of the examination shall be the responsibility of the Board, and the Board may use professional examinations prepared by recognized examination agencies. The examination records shall be filed with Secretary of the Board and retained at least one (1) year.*

(b) *Only persons satisfying the provisions of Section 728 of this subtitle shall be examined for registration as a Sanitarian-in-training.*
