

IN AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF HARFORD COUNTY.

244.

Every person required to be licensed hereunder, EXCEPT A JOURNEYMAN ELECTRICIAN, except a journeyman electrician, shall execute and deliver to the Board prior to the issuance of the license a good and sufficient bond in the form approved by the Board, in the name of the State of Maryland, in the penal sum of five thousand dollars (\$5,000) in the case of a master electrician and one thousand dollars (\$1,000) in the case of an oil burner, sign, maintenance or air conditioning and refrigeration electrician. The bond shall be conditioned upon the faithful performance of any and all work entered upon or contracted for by the licensee and shall render harmless and indemnify the owner, or real party in interest in the property, for which any such material is furnished or service performed against loss, damage or injury which shall occur because of lack of skill, or because of failure to use suitable or proper material in the performance of any work contracted for or undertaken by any licensee, or his agents and employees.

247.

Any person who shall practice, or engage, or continue in the work of a master electrician or JOURNEYMAN, journeyman, oil burner, sign, maintenance or air conditioning and refrigeration electrician without having complied with all the provisions of this subtitle, and any person having been licensed as above described who shall fail to renew his license as required herein and shall do or perform any work for which a license is required hereunder, or who shall violate any of the provisions of this subtitle, is guilty, upon conviction, of a misdemeanor, and shall be sentenced to imprisonment for not to exceed ninety days or to pay a fine of not less than twenty-five dollars (\$25.00) nor more than five hundred dollars (\$500.00), or both. A conviction, without any further action being required shall automatically revoke any license issued to such person under this subtitle.

240.

(f) Air conditioning and refrigeration: After examination there shall be issued to those qualified, a license hereinafter to be known as an air conditioning and refrigeration electrician which shall be a limited license and shall permit the holder thereof to do the following: Said licensee shall be allowed to maintain existing air conditioning and refrigeration, and in addition thereto, to wire air conditioning and refrigeration units not to exceed 168 locked rotor amperes, 230 volts. The licensee shall be allowed to run service to and as far as an existing main switch panel only. All persons who for a period of three years prior to July 1, 1969, have been performing the work for which the license of air conditioning and refrigeration electrician is now required shall be entitled to licensing under Section 240 without being required to take an examination; provided such persons shall apply for licensing before October 1, 1969.

SEC. 2. *And be it further enacted, That this Act shall take effect on July 1, 1969* THAT THIS ACT IS HEREBY DECLARED TO
