

(b) No person shall sell, representing it to be new material, any second-hand hair, down, feathers, wool, cotton, kapok, or other material used for filling articles of bedding or upholstered furniture.

(c) No person shall sell any article of bedding made from second-hand material unless it is disinfected and tagged as provided herein.

(d) No person shall use in the making or renovating of any article of bedding or upholstered furniture any shoddy material or any material that comes from an animal or fowl, (1) that contains any bugs, vermin, or filth, (2) that is unsanitary, (3) that contains burlap or other material that has been used for baling, (4) that is second hand, unless the material has been thoroughly disinfected by a process approved by the Department.

(e) No person shall sell, offer for sale, exchange, lease, deliver, or consign for like purpose any article of bedding or upholstered furniture or filling material unless it is tagged as herein required.

(f) It is unlawful to use any false or misleading statement, term, or designation on the tag or to remove, deface, alter, or attempt to remove, deface or alter the tag or the statement of filling materials. It is unlawful to use any statements on bags or overwraps that conflict with the statement of filling material on the law tag in any way. No variance shall be allowed for material which is described as "all," "pure," "one hundred percentum," or terms of similar import.

(g) No person shall sell, offer for sale, exchange, lease, deliver or consign any article of previously used bedding from hospitals or nursing homes, unless the bedding has been thoroughly disinfected by a process approved by the Department.

#### 67C.

(a) Any disinfecting process used in connection herewith requires approval by the Department.

(b) No person shall be considered qualified to apply an acceptable disinfecting process, as required by the provisions of this subtitle, until the process has been registered with and approved by the Department, and a permit issued therefor. The permit shall be conspicuously posted near the disinfecting equipment. Holders of permits to apply disinfection shall keep an accurate record of all articles or material which have been disinfected, including the date of the same and the name and address of the owner of each, and the records shall be available for inspection at any time by authorized representatives of the Department.

(c) Nothing herein prevents any person engaged in the manufacture, renovation, or sale of any article or material which requires disinfection under the provisions of this subtitle from having the disinfection performed by any person who has a valid permit for these purposes, provided the number of the permit shall appear on the tag, hereafter described, attached to each article.

#### 67D.

(a) Every article of bedding or upholstered furniture which contains all new material covered by this subtitle shall have
