

attached thereto a white tag, upon which shall appear: (1) the words "All New Material" and a statement showing the kind of materials used in filling the article; (2) the manufacturer's or supply dealer's license or registry number; and (3) when required to be disinfected, the words "Contents Disinfected" or "Contents Sterilized" and the number of the disinfection permit of the person who disinfected the article or material.

(b) Every article of bedding or upholstered furniture covered by this subtitle containing any second-hand material shall have attached thereto a yellow tag, upon which shall appear: (1) the words "Second-hand Material" and a statement showing the kind of materials used in filling the article; (2) the words "Contents Disinfected" or "Contents Sterilized", with the disinfection permit number of the person who performed the work; and (3) the manufacturer's license or registry number.

(c) A complete second-hand article of bedding, which has not been remade or renovated, may be sold "as is" after being disinfected, but the tag, if any, which is attached to it shall be removed by the retail vendor who purchases it from the immediately prior user, and the purchaser shall have the item disinfected and shall have the disinfector attach a yellow tag (1) bearing his permit number, and (2) stating that the article is "second-hand—contents disinfected," and this requirement shall apply (1) to sales at public auction, or (2) to a private AUCTION sale from the home of the owner direct to the consumer.

(d) The terms used on the tag to describe filling materials shall be restricted to those defined in the rules and regulations of the Department, and no trade or substitute terms shall be used, but if filling materials are used for which there is no definition in the rules and regulations, the label shall be imprinted with the descriptive term approved by the Department.

(e) Whenever a tag is required by this subtitle, it requires approval by the Department.

67E.

(a) Each license and permit shall expire one (1) year from date of issue and shall be subsequently renewed annually upon payment to the Department of the annual fee. Fees for each license and permit under this subtitle shall be as follows:

Manufacturer's License .....	<del>\$25.00</del> \$50.00 annually
Renovator's License .....	<del>\$25.00</del> \$50.00 annually
Wholesale Dealer's License .....	<del>\$25.00</del> \$50.00 annually
Importer's License .....	<del>\$25.00</del> \$50.00 annually
Disinfector's (Sterilizer's) permit .....	<del>\$25.00</del> \$50.00 annually
SUPPLY DEALERS LICENSE .....	\$50.00 ANNUALLY

The license year shall run for one year, starting with the first of any calendar month. The permit year shall run for one year, starting with the first of any calendar month.

(b) Renewal license fees which are not paid for before the first of the new license year are delinquent. If the fee is not paid on or before the first of the month following the due date, the licensee shall be subject to the further penalties provided elsewhere in this subtitle.
