No. 8

(Senate Joint Resolution 36)

Senate Joint Resolution requesting the State Treasurer to furnish the General Assembly at the start of each yearly session with a listing of expenses for various bond bills for which bonds were issued during the prior year.

WHEREAS, in the past, the practice has been to include in each bill for State Bonds a section designating the maximum amount which can be expended for costs of the bonds; and

WHEREAS, the Bond Bills now being submitted to the General Assembly will merely state "so much money as may be required" rather than a maximum amount for expenses; and

WHEREAS, as a matter of procedure, bonds are sold in issues which cover more than one Bond Bill, with the understanding that expenses will be allocated among the various Bond Bills covered in any one issue; now, therefore, be it

*Resolved by the General Assembly of Maryland,* that the State Treasurer be requested to furnish the General Assembly with a listing of the allocated expenses for the various Bond Bills included in Bond Issues for the prior year, and that this listing be submitted at the start of each yearly session of the General Assembly; and, be it further

*Resolved,* that a copy of this Resolution be sent to the State Treasurer.
