

32 and 52 of Article 3 of the Constitution or pursuant to the provisions of Sections 1 through 15, inclusive, of Article 15A of this Code, title "Budget and Procurement," as amended from time to time.

May 28, 1969.

Honorable Thomas Hunter Lowe
Speaker of the House of Delegates
State House
Annapolis, Maryland

Dear Mr. Speaker:

In accordance with Article II, Section 17, of the Maryland Constitution, I have today vetoed House Bill 928 and am returning it to you.

Under this Bill, as of July 1, 1969, all monies collected by certain State agencies, instead of being used to support the operations of those particular agencies, are to become general funds of the State. The Bill further provides that the operations of the agencies involved shall be financed only pursuant to appropriations made in the State budget.

However, in the budget enacted for the fiscal year beginning July 1, 1969, appropriations were not made to support the operations of these agencies. Consequently, if House Bill 928 is signed, the agencies involved will lose their financial support from special funds but will receive no monies from general funds to replace the lost financial support. For this reason, it is necessary that House Bill 928 be vetoed.

Sincerely,

/s/ MARVIN MANDEL,

Governor.
