

This Bill extends for two years the time limit for placing under contract an item in the General Construction Loan of 1967 relating to the acquisition of land and improvements adjacent to the Old State House in St. Mary's City.

House Bill 1286 is a duplicate of Senate Bill 718 which was enacted by the General Assembly and was signed by me on May 14, 1969. Consequently, it is unnecessary for me to sign House Bill 1286.

Sincerely,

/s/ MARVIN MANDEL,

Governor.
