William H. Corkran, Jr., Town Engineer

Easton, Maryland
April 1968

Resolution No. 32

Resolution of the Town of Easton, adopted pursuant to the authority of Article 11-E of the Constitution of Maryland, and Section 13 of Article 23-A of the Annotated Code of Maryland (1955 Supp.) title "Corporations—Municipal," subtitle "Home Rule," subheading "Charter Amendments," to add a new section to Article II of the Charter of the Town of Easton, said section to be numbered Section 17-A, to spell out the powers of the Town with regard to the establishment, regulation and change of grade lines, width, construction materials on any public street or way, curbs, gutters or bridges, the right to construct, open, extend, straighten, widen, improve, or close any public street or way, to pave, surface the same, maintain and repair and name the same, and to have survey plans, specifications and estimates made for any of the above activities in connection with public ways, bridges, curbs and gutters.

Section 1. BE IT RESOLVED by the Town of Easton that Article II of the Charter of the Town of Easton revised in 1967, is amended by adding a new section thereto to be numbered Section 17-A, which said section shall read as follows:

17-A. The town may:

(1) *Establish, regulate, and change from time to time the grade lines, width, and construction materials of any town, public street or way or part thereof, bridges, curbs, and gutters.*

(2) *Grade, lay out, construct, open, extend, and make new town public streets or ways.*
