

*in, on or over any such public way which impede the establishment, construction, reconstruction or operation of the water supply, sanitary or storm water sewer system of said municipality, upon reasonable notice, to remove or adjust the obstruction to the satisfaction of the Consulting Engineer of The Commissioners of Perryville and, if necessary, to exercise the powers of condemnation hereinabove conferred to remove any such obstructions;*

*(j) to enter upon any public way of Cecil County (except State highways) for the purpose of constructing, reconstructing, installing or repairing any pipes, mains or other equipment, or doing any other things necessary to the establishment, maintenance, repair and operation of the water supply, sanitary and storm water sewer systems of said municipality, provided, however, that in taking any such action, The Commissioners of Perryville or any agent exercising the powers of said municipality shall comply in all respects with the Public Local Laws of Cecil County and the Public General Laws of Maryland relating to or governing the installation of municipal utilities in any public ways;*

*(k) to delegate to any qualified employee or agent of The Commissioners of Perryville, while in the necessary pursuit of his official duties with regard to the water supply and sanitary or storm water sewer systems of the Town, the right of entry at all reasonable hours and after reasonable advance notice to the owner, tenant or person in possession, upon any private premises and into any building in Perryville or in those portions of Cecil County served by the water supply and sanitary or storm water sewer systems of the Town;*

*(l) to accept gifts, grants or loans of property or money from any State or Federal agency for the purpose of providing assistance in financing the establishment, construction, reconstruction or extension of the water supply and distribution system, the storm water drainage and the sanitary sewer disposal systems of the Town, and to make appropriate or necessary contracts with any such State or Federal agency for the expenditure of any such grants, gifts or loans, or the repayment thereof;*

*(m) to sell or otherwise dispose of, at the best price obtainable, any real or personal property acquired or used for said water supply and distribution system and said sanitary and storm water sewer systems and sewage disposal plant, including land, fixtures, machinery and tools, when any such property is no longer needed for any such systems or for any other public use;*

*(n) to purchase water from any public or private source, if necessary to provide an adequate supply;*

*(o) to contract with the United States of America, or any agency or tenant thereof, for the supplying of water to, or the reception of sewerage from, any such agency or tenant, the connection of the water and sewerage systems of the Town with the corresponding systems of said agency or tenant, and the metering of the flow therein;*

*(p) to prescribe, by ordinance, appropriate penalties and fines for any person or corporation found guilty of violating any ordinance of The Commissioners of Perryville adopted pursuant to the powers hereby conferred, or any rule or regulation properly and validly promulgated pursuant thereto.*

Section 2. AND BE IT FURTHER RESOLVED BY THE COMMISSIONERS OF PERRYVILLE, the date of adoption of this resolution is April 12th, 1963, and the amendment of the Charter of The Commissioners of Perryville hereby enacted shall become effective on June 2nd, 1963, unless a proper petition for a referendum hereon shall
