

At the time of the issuance of the license and renewals provided for by this title, the following fees shall be payable.

Type of License	Original Issue	Annual Renewal
Master general electrician	\$35.00	\$25.00
Master limited electrician	25.00	20.00
Restricted electrician	30.00	20.00

All licenses shall expire on June thirtieth in each year and are renewable upon payment of the annual renewal license fee prior to July first.

In the event that a license shall not be renewed prior to July first in any year the renewal thereof shall be issued only upon payment of the fee for original issue plus the annual renewal fee; provided, that if any license is not renewed within one year of its expiration date no renewal license shall be issued therefor, and the holder shall be entitled to receive a license only upon compliance with the regulations as a new applicant therefor.

Sec. 10-24. Reciprocity with other counties and municipalities.

The Electrical Administrative Board of the county is authorized to issue electricians' licenses for electrical work in the county to applicants outside of the county, without examination, if the applicant holds a previous electrician's license issued by a county or municipality of the state; provided only, that such counties or municipalities will in return issue licenses to electricians of the county to work in the aforesaid counties or municipalities without examination, and that such applicants have previously obtained a license in the county or municipality in which they have been operating an electrical business, and have paid fees as required by the county rules and regulations.

Sec. 10-25. Suspension or revocation.

The board shall have the power to suspend or revoke any license after a public hearing upon at least fifteen days' notice to the licensee by registered mail for any of the following causes and reasons:

- (a) Permitting any unlicensed person, firm or corporation to obtain a permit or perform electrical work under the authority of a licensee.
- (b) Perform or permitting the performance of defective or dangerous work.
- (c) Except as otherwise provided in section 10-8 of this Code failing to file an application for a permit from the department of permits and licenses prior to the commencement of work as required by this title.
- (d) Failure to make corrections required by a notice issued by an electrical inspector ~~or failure to comply with an order of the Electrical Administrative Board,~~ as provided in section 10-8 of this title.
- (e) Violation of any of the provisions of this title or of any regulations adopted pursuant to this title.

ARTICLE V—Enforcement, penalties, applicability.

Sec. 10-26. Enforcement.

The enforcement of this title shall be under the control and supervision of the Electrical Administrative Board.

Sec. 10-27. Notice to the board of violations.

It shall be the duty of the electrical inspection division to notify the Electrical Administrative Board of the name of any licensee who has been found to have violated any of the provisions for which a license can be suspended or revoked under the provisions of section 10-25.
