201.2 Plumber's Bond

Provisions of Required Bond: Before any permit shall be issued to any Master Plumber to do plumbing, drainage and gas fitting work in Baltimore County, he shall be required to give bond to Baltimore County, Maryland in the amount of one thousand (\$1,000.00) dollars conditioned that he shall comply in all respects with each and every provision of these regulations in regard to said plumbing, drainage and gas fitting work, and his obligations thereunder, including all laws and ordinances of Baltimore County and the State of Maryland, and he shall indemnify and save harmless Baltimore County, Maryland, its officers and agents, against or from all cost, expenses, damages, injury or loss to which the said Baltimore County, its officers and agents may be subjected by reason of any wrongdoing, misconduct, want of care or skill, negligence, or default on the part of said Master Plumber, his agents or employees, in or about the execution or performance of such plumbing, drainage or gas fitting work, and shall save and keep harmless said Baltimore County, its officers and agents from all claims or losses to them from any cause whatever in connection with his execution or performance of such plumbing, drainage, or gas fitting work.

Whenever the sureties on the bond so furnished shall be deemed by the Chief Engineer of Baltimore County to be insufficient or unsatisfactory, the plumber, after ten (10) days' written notice to that effect, shall furnish and deliver a new bond to Baltimore County of the same penalty and on the same conditions, with surety satisfactory to the said Chief Engineer. If the Master Plumber shall fail to furnish such new bond within ten (10) days after written notice has been mailed to his address as registered in the office of said Chief Engineer, the Chief Engineer may revoke all permits previously issued to him until such bond has been satisfactorily furnished.

Section 2. AND BE IT FURTHER ENACTED, That this Act shall take effect forty-five days after its enactment.
