Any excess of any such amount of the actual cost of a public improvement project or school project shall be credited to the appropriate Contingency Fund and said Contingency Funds shall likewise be credited with any appropriation transfers or any supplementary appropriations made by the County Council in Executive Session to meet any increase in the cost of any of the above listed projects. If, upon completion of the above listed projects, there shall be a balance remaining in either of the aforesaid Contingency Funds, said balance shall be credited to the Capital Program for the fiscal year following the year in which said balance is ascertained.

Section 3. AND BE IT FURTHER ENACTED, that the bonds hereby authorized may be issued at one time or from time to time, separately or in conjunction with other bonds the County may be authorized to issue, all as may be determined by one or more ordinances adopted by the County Council in Executive Session. Prior to passage of any such ordinance, the County Council shall obtain a certificate from the Director of Finance that the limitation on indebtedness contained in the County Charter will not be exceeded by the issuance of bonds in the amount contemplated and the County Council shall also obtain a certificate from the County Attorney that the authority hereby conferred for the contemplated bond issue has not been previously exercised and that such authority has not been repealed, revoked or suspended in accordance with the County Charter. Each such ordinance shall fix, prescribe and determine the title, date of issue, and denomination of said bonds, the form, tenor and manner of executing the same, the place or places of payment thereof and of the interest to accrue thereon, the agent or agents of the County to make such payment, the reserved right, if any, to redeem any such bonds prior to maturity and the premium or premiums, if any, payable upon the exercise
