

*try, and whether the applicant has ever been suspended, revoked, cancelled or refused and, if so, the date of and reason for such suspension, revocation, cancellation or refusal, and every said application shall state the applicant's general physical condition, occupation and other pertinent facts as the Department may require. Every said application shall be signed by the applicant and verified in person before a person authorized to administer oaths.*

*(c) An instruction and examination license shall entitle the person to whom it was issued to drive vehicles and combinations of vehicles of the class or classes specified herein, as described more particularly in Section 92 with respect to drivers, but only while the holder of the instruction and examination license is accompanied by and under the immediate supervision of a person who:*

- 1. Is at least 21 years old;*
- 2. Is licensed in Maryland or in another state to drive vehicles of the class then being driven by the holder of the instruction and examination license;*
- 3. Is actually occupying a seat beside the holder of the instruction and examination license, unless the vehicle is a motor-driven cycle. A motorcycle learner's permit shall entitle the holder thereof to operate a motorcycle on the highways, as a learner, while under the instruction and immediate supervision of a licensed motorcycle operator. Motorcycle learners shall carry only an instructor properly licensed to operate a motorcycle.*

*(d) A person to whom an instruction and examination license has been issued may take the final examination for a driver's license no sooner than 14 days from the date the instruction and examination license was issued.*

*(e) An instruction and examination license shall expire 60 days after the date it is issued.*

*(f) A driver's license may be issued without the prior issuance of an instruction and examination license, and without a 14-day waiting period, to any person who has been regularly licensed to drive in another state or country or by the Armed Forces of the United States, if the Department is satisfied that the applicant's experience in driving vehicles which may be driven by holders of the class or classes of license sought by the applicant is sufficient to justify the issuance of the license without further behind-the-wheel training.*

*(g) A person licensed to receive instruction and qualified to take the required examinations for the license applied for must appear in person at the Department of Motor Vehicles in any of the places throughout the State which the Department may designate for the convenience of applicants.*

*(h) Notwithstanding the provisions of subsections (a) to (d), inclusive, of this section, any student fifteen years of age or older enrolled in a high school or junior high school course in driver education and training, may operate a dual control motor vehicle without obtaining an instruction and examination license, when such student is under instruction and accompanied by a qualified driver training instructor of said course.*
