

The Commissioner of Motor Vehicles may accept a certificate as proof of such applicant's knowledge of the traffic laws of the State without further examination as to such knowledge. Four Dollars (\$4.00) of said fee shall go into a special fund in the State Treasury known as the Driver Education Fund, which monies shall be accumulated until expended as provided in this section. Out of such funds from and after July 1, 1962, the Department of Education shall provide for driver education for public high school students in the various counties and Baltimore City. The Department of Education shall apportion the revenues in the Fund to the various subdivisions on the basis of the number of students enrolled in the driver training program in the respective subdivisions. The balance of said funds shall not revert to the general treasury, but shall be dedicated and held for driver education.

91.

(A) The Department shall examine every person who applied either for an original license or for a class of license higher than the applicant has previously held, except as otherwise provided in this Article. Such examination shall include a test of the applicant's eyesight, his ability to read and understand highway signs regulating, warning and directing traffic, his knowledge of the traffic laws of this State and safe driving practices; and shall include an actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle and such further physical and mental examination as the Department finds necessary to determine the applicant's fitness to operate a motor vehicle safely upon the highways. An applicant must appear in person at the main office of the Department or at any place in the State which the Department may designate. The applicant shall furnish a motor vehicle for the required driving test, which vehicle shall be a type appropriate to test the applicant's ability to drive all vehicles which may be driven under the class of license applied for. At the time he appears for the driving test the applicant shall be accompanied by a person qualified under the provisions of this Article to accompany a person with an instruction and examination license while driving upon public highways. The person so accompanying the applicant shall have in his possession a valid driver's license. The Department is authorized to promulgate rules and regulations relating to but not limited to an applicant's visual acuity, ability to sign his her name, ability to operate a motor vehicle without use of an arm or leg, and ability to hear as well as such other rules and regulations as may be deemed necessary by the Commissioner from time to time to carry out the provisions of this section.

92.

(a) Upon surrendering the instruction and examination license and undergoing a satisfactory examination as to his/her qualifications, such person shall be entitled to receive the license applied for upon the payment of the fees provided for in this Article.

(b) A number shall be assigned to each license, and a proper record of all applications for licenses and for all licenses issued shall be kept by the Department, and shall be open to public inspection.

(c) Each license shall state the full name, residence address, race, sex, height, weight, and date of birth of the licensee and shall
