

and recreation, for medical examination of school bus drivers, for case and guidance service for handicapped individuals needing vocational rehabilitation, for equivalence examinations, for public libraries, and for adult education; the annual appropriation for the State share of current expenses and annual current expense incentive aid as provided in Sections 128 and 129 of this Article; the necessary costs of transporting pupils to public schools when such transportation is approved by the State Superintendent of Schools; and the school building construction aid as provided in Section 130 of this Article.

(c) What funds deemed levied by local boards; no payments to colleges, etc. All funds which the county board of education and the Mayor and City Council of Baltimore may be authorized to expend for schools, other than State appropriations, and exclusive of the amount authorized to be expended for debt service and capital outlay, may, for the purposes of calculating the local share under Section 128, be considered as levied by the board of county commissioners and by the Mayor and City Council of Baltimore, irrespective of the source or sources from which such funds may be derived. But no such appropriation to any county, except as heretofore in this section provided, or to any academy, or to any college or university may be paid from the general State school fund.

125. Federal funds.

The State Board of Education is hereby authorized to accept for the State of Maryland any appropriation of money for any educational purposes FOR THE PUBLIC SCHOOLS which may hereafter be made out of the federal treasury by an act or acts of Congress AND ANY ADDITIONAL FUNDS DIRECTED TO THE STATE BOARD OF EDUCATION BY ACTS OF CONGRESS OR FEDERAL REGULATION and the State Board of Education shall be constituted the educational authority for the expenditure and administration of any such funds.

All moneys received by the State from SUCH appropriations for educational purposes that may hereafter be made by any act or acts of Congress shall be received into the State treasury and the Treasurer is hereby authorized, upon warrant of the Comptroller, to receive and provide for the proper custody of same and to make disbursements therefrom upon the order of the State Board of Education according to the procedure of the State treasury department.

126. Payment and disbursement of State funds.

Such appropriations as are made by the General Assembly for the payment of the expenses of the State Board of Education and for the support and expenses of the office of the State Superintendent of Schools shall be paid each year in equal monthly installments to the treasurer of the State Board of Education. On or before the first day of each month the Comptroller shall draw his warrant on the Treasurer of the State of Maryland for the respective amounts due to the treasurer of the State Board of Education. On the receipt of the warrant of the Comptroller, the Treasurer of the State of Maryland shall immediately pay the amount due to the treasurer of the State Board of Education.
